

Beramendi

A successful choice of vineyards and an intelligent assembly in the selection of the grapes combine to produce a complex, elegant wine. With an intense, bright maroon colour and an excellent combination of aromas of wild black fruit, cacao and toasted and spicy notes (cloves). Smooth, delicate tannins of fine, well integrated woods appear on the mouth; prunes, leather, brush. Pleasant aromatic finish.

TYPE OF WINE: Red

VARIETY: 100% Tempranillo

OPTIMUM SERVING TEMPERATURE: 16-18

PAIRING: Roast beef, river fish, pasta and soft cheeses.
